WILDLIFE CENTER  
OF THE  
NORTH COAST

**Camp Coordinator – Summer 2025**

**Wildlife Center of the North Coast | Astoria, Oregon**

**Part-time | Temporary | \$17.50+/hr DOE | ~60–75 hours total**

Wildlife Center of the North Coast (WCNC) is seeking a passionate, nature-loving individual who enjoys working with youth in an outdoor setting. Our **Camp Coordinator** will help lead our summer day camp program, using an already-developed curriculum that engages 1st–8th grade students with games, hikes, crafts, and hands-on activities focused on wildlife and ecology.

**Camp Dates:**

- July 7–11
- July 14–18
- July 21–25

This is a part-time, seasonal role, ideal for someone who thrives outdoors, loves connecting kids to the natural world, and can bring energy and leadership to a fun, nature-based program.

**Responsibilities:**

- Implement pre-developed curriculum and activities for three week-long sessions of summer camp
- Lead games, hikes, and educational experiences for campers entering grades 1–8
- Work collaboratively with camp volunteers and staff
- Ensure a safe, inclusive, and engaging experience for all campers

**Qualifications:**

- Enthusiasm for working with children in an outdoor setting
- Ability to walk on uneven terrain and spend extended time outdoors
- Ability to pass a background check
- Experience as an educator or camp leader preferred, but not required
- Passion for nature and environmental education

If you're excited to inspire the next generation of wildlife stewards and create memorable outdoor experiences for youth, we'd love to hear from you!

**To Apply:**

Send a brief cover letter and resume to [kari@coastwildlife.org](mailto:kari@coastwildlife.org). Applications will be accepted until filled and will be reviewed in the order they are received.

## WILDLIFE CENTER OF THE NORTH COAST

### **About Us:**

Wildlife Center of the North Coast (WCNC) is a 501(c)(3) nonprofit wildlife rehabilitation and conservation education center located in Astoria, Oregon. We provide medical care to injured, sick, and orphaned native wildlife—specializing in seabird care—and offer conservation education programs that promote environmental stewardship and living in harmony with wildlife.

### **Our Mission:**

WCNC is committed to promoting compassion, empathy, and respect for all life through wildlife rehabilitation, ecological education, and wildlife conservation.

We provide:

- Humane care and rehabilitation for native wildlife, with the goal of release
- Quality environmental education programs to coastal communities
- Meaningful volunteer opportunities for all ages
- Long-term monitoring of wildlife and ecosystem health

**WCNC is an equal opportunity employer.**
